REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Regarding the Declaration of Prior Inventorship filed 8/03/04, the statement on page 2 of the Declaration regarding Attachment D (that the dates in the title and approval block of Attachment D are prior to the publication date of the Thompson et al reference) is not sufficient to overcome the Thompson et al reference because while these dates are before the publication date of Thompson et al, they are not before the filing date of Thompson et al (1/22/02). However, the information in the Declaration on page 1 regarding Attachment A (that the CAD renderings were presented in a meeting on 11/14/01) are sufficient to antedate Thompson et al (it is noted that the copy of Attachment A filed with 3/18/04 declaration is a better copy than the copy of Attachment A filed with the 8/3/04 Declaration, at least on Image File Wrapper (IFW)).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
